- Ergonomic in day to day operation

Everyday use
- stainless steel espresso machine

PHILIPS
Saeco

sense and simplicity

Highlights

15 bar pump

High pressure ensures that the entire aroma of the coffee beans is always fully extracted

Cup warmer

This feature allows you to not only store your cups and glasses directly on the machine, it also pre-heats them, releasing the aroma even more and guaranteeing a long-lasting crema

Ergonomic in day to day

For refilling the coffee powder or water, or emptying the filter or the drip tray, all compartments are directly accessible for maximum convenience.

Full stainless steel

premium material, which is long lasting and easy to clean

Ground coffee and Easy Serving

For your convenience you can choose between ground coffee and Easy Serving Espresso (E.S.E.) pods.

Pannarello

With the pannarello you can froth your milk exactly how you like it. Just dip the pannarello in the milk and stir slowly in a circular motion. Froth the milk for as long as you want to create more or less foamy milk.

Pressurised filter Crema

This special crema filter guarantees a long lasting delicious crema
